## About

One of the most important issues to realize for newcomers to the conspiracy scene is that there essentially is no such thing as a free alternative media. As an honest, independent investigator it's next to impossible to get any circulation for your work, especially since

Yahoo / Bing - mild censorship

### CHILD ABUSE NETWORKS

Google censorship kicked in from 2015, while persons revolving around major shows as [Coast to Coast AM](#), [Rense](#) and [Infowars](#), who peddle a steady stream of disinformation, are often making the New York Times best-sellers list. This section of ISGP keeps an eye on alternative media outlets and disinformation.

**In brief**

On this site the reader can find about 100 articles with a total of 1.7 million words, not counting (fully written-out) sources, press reports, membership lists with biographies, and outside work. If the information is reorganized a little, it would be possible to publish it in about twenty 300 page books.

Double-tap tap the center column in pure text areas for **mobile view**.
